EDUCATION

AAB College

Computer Science and Software Engineering

2022 - Present

SUMMARY

Currently pursuing a degree in Software Engineering with practical experience in building interactive projects using modern technologies. I have an intermediate level of German and am focused on developing both my technical and soft skills. I am actively seeking an internship to apply my knowledge in a professional environment, contribute to real-world projects, and grow as part of a collaborative and supportive team.

SKILLS

- Quick learner & adaptable
- Strong collaboration and communication
- Solid computer & technical skills
- Basic HTML, CSS, JavaScript, Node.js, Python, Git, and SQL
- Research and documentation skills
